## REFUND TABLE FOR THE LIABILITY INSURANCE PORTION OF FCMQ TRAIL FEES

## \% OF 12-MONTH INSURANCE PREMIUM PAYMENT FOR EACH MONTH THE SNOWMOBILE WAS INSURED

The highlighting below illustrates the calculations for a policy costing $\$ 40$ (included in the annual trail fees), with a term from November 1 to November 1, if it is cancelled on February 20.

In this case, the insured person would pay $72 \%$ of the full insurance premium and receive a refund of remaining $28 \%$ of the premium paid.

February 13\% (8 days left in the month) + March 15\% (more than 21 days) + April 0\% + May 0\% + June 0\% + July 0\% + August 0\% + September 0\% + October 0\% = 28\% credit on the annual premium. Credit for cancellation = \$40 x 28\% = \$11.
